NOTICE AND DEMAND FOR LAWFUL MONEY

Be it now known to any and all parties forevermore that I am [redacted] (Me) and the PERSON known to others as [redacted] have made, and still do make, my demand for lawful money: now, *ab initio* and *non pro tunc* (fraud by omission) for any and all dealings and transactions. This demand is made pursuant to law that binds all parties who are under and obligated to recognize the remedy found in Section 16 of the Federal Reserve Act of 1913, now codified at Title 12 United States Code §411. This demand renders Me, my substance, my exclusively held claims and possessions, and any other property or belongings held by Me excepted, immune, and apart from the claim(s) of any parties who bring debt-action *in assumptio* (aka *contractual debt/government debt to money*) against Me and mine from within the false and presumptive notion that I am an admitted and volunteer signature endorser of the Federal Reserve's private credit.

Notwithstanding any other provision of law or contractual obligations; NO contract, nor shall any provision thereof, be construed to act or operate in any way or manner to eliminate, diminish, supersede, or otherwise modify any provision contained within this Notice and Demand. This Notice and Demand is now on and for the lawful record and is within the "exclusive original cognizance" of the United States by and through the Judiciary Act of 1789 Chapter 20, Page 77 'saving to suitors' in diversity of citizenship [Title 28 USC §1333] as I am outside the scope of any federal district *sub potestate sua* and in absolute ministerial capacity. Any and all parties claiming to preside, act or operate from within that realm are duly advised.
